Dear Friend,

I am a candidate for the Palo Alto City Council and I would greatly appreciate your support. I've worked as a professional community and transportation planner, education and arts fundraiser, and non-profit administrator over the past 25 years. I also served for eight years on the Palo Alto School Board. With your help, I know my experience, credentials, and leadership will make me an effective City Council member.

As you know, a campaign needs money and volunteers to be viable. That's where you come in. Please contribute and sign up.

With the current state of the economy, including massive statewide budget cuts, the next few years will be a time of crucial decision-making for Palo Alto. Our City Council must be prepared to act with wisdom and decisiveness. When elected, I will:

- Make fiscal responsibility, accountability and transparency top priorities, maximizing limited resources through strategic decision-making to create measurable results.
- Advance healthy and sustainable land use planning and practices by managing growth with balanced "green" design principles.
- Promote better local and regional transportation planning, balancing conflicting needs, benefits and outcomes.
- Strengthen relationships with the business community, Palo Alto Unified School District and Stanford University to create win-win outcomes on challenging and controversial issues.

With strong leadership, each of these goals can be accomplished. I know. As an experienced elected official, I've built a record of thoughtful, creative and committed decision-making on behalf of our schools. I will bring those skills and insights to the City Council to improve the quality, innovation and cost-effectiveness of services and programs across our whole town.

To do this, I need you. Please join my campaign. You can make a contribution and sign up to be a volunteer by using the enclosed envelope or by going to my website at www.gailprice.org.

While I know times are tight, the stakes are higher. So I hope you will donate the maximum of \$350 per individual. I thank you in advance for whatever you can give.

I'm looking forward to an exciting campaign backed by a fabulous campaign team. I hope you will join us.

With gratitude,

Gail A. Price

Join us at my kick-off party on Saturday, September 12th at 4:00pm at the home of Kate Hill and Ken Poulton at 884 Los Robles in Barron Park.
